ANNOUNCES HIS CANDIDACY FOR
REPUBLICAN NOMINATION

FOR UNITED STATES SENATOR

Albert H. Howe, whose candidacy for the Republican nomination for the United States senate has been formally announced, was born in Brooklyn, New York, in 1872. He was thrown upon his own resources at an early age, and in modern business parlance he "made good" from the start. At the age of 14 he entered the service of the United States Express company as an office boy and at the age of 17 he was private secretary to the president of one of the big transportation companies of the world.

When a few years later the directors of the company created the position of assistant to the president, Mr. Howe was asked to accept this office. While in this position he was responsible in a large way for the establishment and a development of the foreign department of the company and made several trips to Europe to promote this branch of the company's business.

When the late Senator Platt, of New York, went to the United States senate Mr. Howe, then 23, accompanied him as his private secretary. He was associated with the work of the senate in numerous and important ways until 1907, when the late Senator George S. Nixon, whose acquaintance he had formed, asked him to come to Nevada. His first

OLD DESERT QUEEN MINE

NEAR HAZEN REOPENED

C. M. Hoover and Edgar Smith of Fallon and Frank Smith of Reno have taken a bond and lease on the famous old Desert Queen mine in the Huxley neighborhood in the north part of Churchill county, owned by the veteran prospector and miner, Walter Smith, says the Churchill Standard.

The old Desert Queen was a good shipper in the early days when the ore had to be hauled to Virginia City, but has been idle for many years. There are considerable quantities of high grade in sight, as well as thousands of tons of ore running around \$20. The mine is only about five miles from the main line of the Southern Pacific.

HIGH SCHOOL DISAPPOINTED BY
FAILURE TO RECEIVE GRA-
DUATING GARB

The graduating exercises of the Tonopah high school were held in the school auditorium last night at eight o'clock. One of the largest audiences that has ever assembled witnessed William Forman distribute ten of the handsomest diplomas seen in Tonopah to the graduates.

An overture, "Poet and Peasant," as rendered by the high school orchestra, opened the entertainment. Rev. Ralph W. Rayless gave an invocation, which was followed by another selection by the youthful musicians.

The commencement address was delivered by Governor Emmett D. Boyle. The theme was a comparison between the number of students attending and graduating from the many schools in the state and the richness of Nevada mines. The intellectual element is far greater an asset than that of money, he said, and the numerous young men and young women leaving the high schools of this state were better prepared to battle in the world than those who spent all their lives in the mines.

"King Radium," by Tonopah's talented musicians, gave the audience another treat. William Forman, due to the inability of J. B. Tregloan to attend, presented the diplomas to the fortunate students.

Rev. Father Diss gave the benediction which marked the close of the affair.

Owing to the failure of the caps and gowns to arrive, which would have been the first time in the history of the Tonopah schools that such garb was worn, the students were slightly inconvenienced and unprepared to cope with the situation of dresses. However, the individual gowns were very beautiful. The artistic sense of each individual stood out prominent.

The young men and young women, following the class motto of "Rowing—Not Drifting," having purple and white for their colors, and violets for the flower, who received diplomas were Gertrude Rippingham, Mary Adeline Murphy, Helen Blanche Mitchell, John Martin Cuddy, May Charlotte Kimball, Harold Maurice Bowler, Fannie Boyd Holmes, Louretta Frances Walsh, Madeline Gertrude Wilson, Joe Thomas Murphy.

The back of the stage displayed a huge '16 in purple and white. Long streamers in the class colors, were strung from the proscenium to the large '16, forming a canopy of harmonizing hue over their heads. Many flowers graced the front of the stage and a careful placing of lights, brought out the necessary effect.

MRS. BURDICK GOES TO
FALLON TO VISIT O. E. S.

Mrs. Marie Burdick leave tomorrow morning for Fallon where she will hold the annual inspection of Eastern Stars at that place. Upon reaching Fallon on her regular inspection tour Mrs. Burdick found the town quarantined. This visit to Fallon will end Mrs. Burdick's work as grand worthy matron of Nevada until the meeting of the grand lodge.

SOUTH DAKOTA PARTY ESCAP-
ING FROM THE HEAT OF
THE SOUTH

M. E. Miller, wife and daughter, motored through here this morning on their way to Highmore, S. D., where they reside. The party came west early last fall and have been spending their time in Southern California. Their trip from the east was made on the Lincoln Highway and the return, on the Midland Trail to Denver where they will take the Denver Trail through to the Black Hills and thence to their home.

"The road from Owens Lake to Lida," replied Miller when questioned by a Bonanza reporter, "is very rough and rocky; but from Lida to Tonopah, it is in the pink of condition."

"We left Los Angeles last Tuesday and have been making an average of 125 miles a day, taking our time and stopping at every large town. Tonopah is a wonderful town and the business-like air that predominates, a visitor can see at first glance that the camp is on a boom."

EVERYBODY BUYING
AUTOMOBILES NOW

CARLOAD OF FORDS AND A COU-
PLE OF DODGES ARRIVE FOR
TONOPAH BUYERS

A carload of Ford automobiles arrived this morning consigned to the Tonopah Auto Supply company which maintains the record of selling a carload every month this year. There is no falling off in the demand and the selling agents say the popularity of the little machine shows no sign of abating. The eight cars contained in this carload have been sold for immediate delivery but the buyers are somewhat diffident about letting their friends know who they are until after they have had a week or two on the road with an instructor.

Two Dodge touring cars for the same firm came in by the overland route from Reno piloted by E. Floethe of Millers and Joe Dale. The machines arrived last night and the drivers report the roads in the northern part of the state to be in excellent condition.

FALLON CREAMERY BUILDING
IS NOW BEING ENLARGED

The new building of the Churchill Creamery Co., finished just about a year ago, has already proven too small for the increased business that has accumulated in the past year. Contractor A. Henriksen is now engaged in building an extension on the west end of the building which will add 22 feet to floor space. The new addition will be used for storage for the present, but will later be converted into a cold storage.

RAVIOLA DINNERS

Choice dinners are served by C. R. Silva every Sunday afternoon at the Casino hotel. Raviola forms the piece de resistance. A specialty is made of family service.

PERSONAL

J. O. ABLEMAN of Wisconsin is visiting his brother, N. C. Ableman. MISS GERTRUDE TAILLEY was a passenger this morning for Goldfield.

F. KETELHUT, of the A. B. C. hotel was a passenger for Luning this morning.

MAURICE J. SULLIVAN, lieutenant governor, was a passenger for Goldfield this morning.

EMMETT D. BOYLE, governor of Nevada, returned to the capitol this morning.

MRS. HENRY KIND, who has been visiting relatives on the coast for the past six weeks, returned to Tonopah this morning.

BOB STEWART, mayor of Sodaville returned to his home ballwick after a few days visit with friends in Tonopah and Goldfield.

MRS. J. E. FARRIS, after a six weeks visit with relatives at Libby, Mont., came in on Train 24 this morning.

MRS. JAMES BLAIR and baby were passengers for Reno this morning. They will be the guests of Mrs. Joe McDonald for the next month.

S. C. DINSMORE, of the weights and measures department of the University of Nevada, came in this morning and is registered at the Mizpah.

FRANK McAUILLIE, wife and two children, who have been visiting Mrs. McAuliffe's father, J. V. Hart, for the past two weeks returned to San Francisco this morning.

W. D. FORSTER, superintendent and general manager of the T. & G. railroad, who has been east on official business, returned on today's train.

SAUNDERS AND CURLER
ENGAGE IN DISPUTE

ELKO, June 9.—The preliminary examination of H. A. McMurtrey, constable of Elko township, on a charge of being an accessory to the attempt by Mrs. Ella Connell to poison her husband, Mike Connell, was started today before Justice of the Peace Clark of Tuscarora.

The early stages of the preliminary were marked by a bitter controversy between Judge B. F. Currier, counsel for McMurtrey, and J. A. Saunders, special prosecutor. Currier, accused Saunders of leading the witness, Mrs. Connell, and urging the argument that he was passed. The magistrate reprimanded the attorneys.

HAULING FROM DIVIDE

Teams today began hauling two carloads of ore from the rich strike recently made by Grimes and Hanson in the lower tunnel of the Tonopah Divide mine at Gold Mountain. The property is now looking better than ever.

BUTLER THEATER

Tonight's the night when the Tonopah public will have an opportunity of seeing something different than the regular picture program, for in addition to a high class Blue Ribbon feature entitled "The Turn of the Road," which is one of the best productions ever turned out by the Vitagraph company, and which meets every requirement of standard set by the heads of that mammoth feature producing company, the Hawaiian Road Show, will entertain you with a musical revue which is something entirely different from any other brand of music. Their bill is entitled "An Evening in Honolulu" and their program will include Hawaii's famous bass soloist, the steel guitarist, who is said to be the finest in the world and worth the price of admission alone, American and Hawaiian numbers including the popular A La Ha Oe, a Hula Hula dance, a Honolulu quartette with the world famous Hawaiian instrument, the Ukulele, and instrumental and vocal soloists. Hawaiian music is considered the sweetest in the world, and the aggregation coming here tonight is the original and best Hawaiian company on the road, not the one which visited Tonopah a year ago, but the one which played here two years ago and which was so well received, playing to two crowded houses. Word received from Goldfield where they played yesterday is to the effect that they are sustaining their reputation for high class entertainment and that their performance was to the highest degree satisfactory. There will be two night shows, the first one at 7 p. m. sharp, the second at 9:15. Everyone who wishes to enjoy a fine musical program, as well as an A-No. 1 feature picture, is urged to be on hand, for they will not be disappointed.

TEMPERATURE REPORT

Highest temperature yesterday, 85; a year ago, 82.
Lowest temperature last night, 55; a year ago, 56.

Now is the time to get your Panama hat. Best value in town.
